"To Know God and Make Him Known"

Greetings from the Discipleship Training School (DTS) staff!

I would like to thank you for taking the time to complete this CONFIDENTIAL reference form. The information we receive from this reference, will assist us as we prayerfully consider whether to accept the applicant as a student in the school. This reference form is "CONFIDENTIAL"; therefore, we will not share its content with the student or anybody outside the DTS staff.

Youth With A Mission (YWAM) is an international, interdenominational missionary organization. YWAM was started in 1960 and is now the largest mission organization. Youth With A Mission in Albania was started in 1991 and presently has about 31 staff in six different cities.

The DTS is a six month intensive Christian training course designed to encourage students in personal character development, cultivating a living relationship with God and identifying their unique individual gifts and callings in God. Cross-cultural exposure and global awareness are special emphases throughout the course, preparing the students to reach present and future generations and answer the call to "Go into all the world and make disciples of all nations". Mark 16:15, Matthew 28:19

The curriculum of the DTS includes the following themes:

God's nature and character: encountering God.

God's intention for individuals, peoples and nations: seeing all of life from God's perspective.

God's redemption – sin and the cross: recognizing Jesus as Lord.

God's family – His children and His church: becoming more like Jesus.

God's world – His call and commission: doing the works of Jesus.

YWAM – a response to God: knowing God and making Him known.

Once you have completed the reference form, please return it to us by mail. To speed up the application process, please feel free to also send a scanned copy of the reference form to dts@ywam.org.al as an email attachment.

In Christ,

DTS Leaders
