

## *Outreach to Muslim Peoples*

Although Christianity came to Albania in the first century (In the book of Romans Paul writes that he preached the Gospel all the way to Illyricum), Albania was a part of the Ottoman Empire for over five centuries until the early 1900's and today is ***the only Muslim nation in Europe***. In many ways Albania is a crossroads where east meets west!

Today Albanians are searching for a new identity. There are unprecedented opportunities to impact this nation with the Gospel. Not only that, Albania is also becoming a training ground and a launch pad for missions toward nations like Macedonia, Kosovo, Turkey and beyond. Are you ready to join in with what God is doing in this strategic place?
